Pupil Premium Summary 2015/16

Pupil premium grant expenditure The Pupil Premium is a government initiative which provides funding for each child entitled to Free School Meals or who has been entitled over the last 6 years and for any Looked After Children or children of service personnel. We are required to publish online information about how we use this grant. Our funding should be received in September 2016 and will be calculated and received again in September 2017 using the January 2017 school census data. In our school we use this funding to personalise learning and support individual progress, this is outlined below but includes 1:1 intervention and personalised resources. Funding has also been used to support extra curricular activities to enrich children's learning and to access support from outside agencies.

In future our funding will be used in the ways above where appropriate as well as supporting teachers and teaching assistants' professional development in the area of intervention programmes to accelerate learning. Research by The Sutton Trust shows that these strategies are the most effective ways of improving children's progress and attainment and are cost effective. There will also be benefit for all pupils. Attainment and progress for all these pupils is expected or better.

Number of pupils receiving Pupil Premium Funding: 13 (including one child of service personal)

Current Funding: £17,290

Amount of PPG received per pupil: £1320

Intervention	Description of in-school use (please note this is a summary, not all interventions are used with all children)	Amount Allocated	September 2016 Impact/Outcomes
1:1 intervention/Small groups sessions and TA to support in class with those children who are performing below ARE and not making expected progress	Daily 10-15 minute intervention sessions in afternoon sessions, planned by teacher or HT, delivered by HLTA, Teaching Assistants and HT and assessed jointly, Focus on Maths and English for all intervention work	£12, 200	In our internal data-The majority of pupils entitled to Pupil Premium at least achieve inline with their peers if not make more progress. The only excpetion in in Y4 Maths-where they are not yet in line with their peers in all but 1 case , but the gap is quickly narrowing. <ul style="list-style-type: none">• All children in receipt of PPG successfully passed the Phonics screening• KS1-Of the 2 pupils that were in receipt of PPG, 50% achieved the expected standard and

			<p>this is reflected in the combined score of 50%. Both pupils made good progress from EYFS where they achieved a 1 in all areas.</p> <ul style="list-style-type: none"> • KS2-Of the 2 pupils that were in receipt of PPG, they were both dyslexic and on the SEN register. Out of the cohort, 50% achieved the National Standard for R,W,M and SPAG. This is reflected in the Combined 50%-which is nearly inline with the national 53%.
Life Coaching	Life coaching qualified Teaching assistant provided life coaching for some children; priority was given to children in receipt of PP.	£1,411	<ul style="list-style-type: none"> • All pupils in receipt of PPG achieved the National standard in R, W, M and SPAG.
Digital Technology and Software	Computer software and learning resources	£750	Resources in class have helped those less able and those making below expected progress to work independently and more confidently.
Training	Life coaching training for TA and time to complete mentoring and support sessions.	£700	See above
Educational Visits & Music Lessons	<ul style="list-style-type: none"> • Support for School Visits - To ensure all students have access to school visits that will enrich their learning within the curriculum and remove the potential cost barrier • Provide swimming lessons for all students to support those who are unable to pay for a vital life skill • Provide Music Lessons for all students who are unable to pay to broaden their curriculum experiences. 		
Milk	To ensure pupils are ready to learn, the school has additional milk available for pupils who meet Ever 6 criteria .	£200	Pupils who have recently come off FSM but are entitled to Ever 6- this is used where the economic situation means pupils are not having adequate lunches. Pupils are eating healthy and ready to learn in the afternoon. This has sustained a positive behaviour. For learning.
Books	Additional books purchased for class readers based on individual preferences.	£500	<ul style="list-style-type: none"> • KS1 Reading data was 80% at EXS+ (20% at Greater Depth) • KS2 Reading data was 80%, which was well

			above the national data 66%
Curriculum	Curriculum Immersion to promote engagement and support REAL Projects. Learning for all pupils to become authentic and purposeful £150 per classroom per term (only Summer term)	£1500	Children have become more enthusiastic and engaged, rapidly starting to become more independent at accessing their own learning resources, especially in EYFS & KS1. This has had a marked effect on self-drive and ownership of their own learning journey. Children are enthusiastic about their environments.
School Uniform	Additional uniform and access to theme days, to ensure that all pupils feel part of the school and have a sense of self-identify where needed.		
TOTAL		£17, 261
