A MESSAGE FROM MRS NEGUS-HILL

A HUGE congratulations to our Y2 pupils who have all finished their SATs tests last week. They were truly wonderful and determined to show how much they know. We are all very proud of them and they all got in the Brilliant Bee Book for being so fantastic! I am sure that you will join me in wishing the Y6 pupils good luck for their SATs this week. They will be well fuelled at breakfast club and I'm sure they will impress us all with their attitudes and determination to showcase their knowledge every day.

We are really enjoying the sunshine at the moment, it's lovely to have so much time outside. Don't forget to send in the children in with a hat, sunscreen and sunglasses to keep them safe. We might have to find some ice lollies this week...

'Be the best that you can be!'

Attendance/Absences

If your child is going to be absent, please let the office know, not just the class teacher. If they are unwell we need to ensure that the correct information is entered into the registers, For any other reason please complete a holiday/absence request form.

Royal Wedding day-Friday 18th May

Don't forget to dress up in anything red, white and blue that day to celebrate the Royal Wedding. We are also having an afternoon tea for the children only. It will be a right Royal feast!

Open Church weekend

The weekend of 19th/20th May is the open church weekend. St. Peter's in Normanby will be displaying some of our children's artwork-don't forget to pop in if you have the chance.

Sports Day-Friday May 25th 1.30-3.30pm

This year we are having our Sports Day a little earlier, as the second half of the Summer term can get so busy! It is open for all parents/carers and families to attend, so please pop the date in your diary. Fingers crossed that the British weather will be kind to us and the sun will continue to shine.

Normanby-by-Spital Primary History Exhibition

Hopefully you have all seen the flyer which outlines the date for our Normanby Primary School History Exhibition. It will run over 2 days, on the afternoon of Friday 8th June and Saturday 9th June in the morning, times are on the flyer. We really hope that this will be a chance for the children to learn more about the school's rich history and for the local community to pop in and share this event with us. Please let your family and friends know the date!

Training Day Thursday 21st June

On this day, the school will be closed. This coincides with the Lincolnshire Show, so we are politely asking that if you are intending on taking your children to this event that you go on this day. Any absences to attend the event on any other day will not be authorised.

Normanby has Talent! Friday 22nd June pm

The children have requested that we have a talent show in school, so time to polish up those skills and talents you have as we don't want to just see the amazing talented children we have here, but also the parents/carers talents too! You never know, the teachers may also reveal some!!! This event will replace a Summer Fair, but there will be a small choice of games and of course refreshments. More details to follow.

Magical Maths Assembly Tuesday 10th July 1.15pm

Magical Maths is a fun after school club run by an outside company specifically for primary school children. Your child will witness mind-blowing after school sessions which will leave them amazed. Graheme, who runs the company is going to come into school and give us an assembly of magical maths in the hope we can start an after school club in September. If you would like to find out more about it for yourselves, please feel free to come along to the assembly. Its 1.15pm in the school hall on Tuesday 10th July.

Second hand uniform sale

A few items have been donated so far for our second hand uniform sale... some immaculate school jumpers and fleece. As you are changing to summer uniform please feel free to donate any winter uniform that your child has outgrown. We are hoping to have the first sale after half term. Please bring any donated items to the office.

Neighbouring properties

Please can you ensure that children are not climbing on neighbouring walls or properties, so that the children themselves do not get hurt and that property is not damaged.
