2nd July 2018

A MESSAGE FROM MRS NEGUS-HILL

Next week on Wednesday 4th July it is Change Over day. This is a day when all of the pupils in school spend the day with their new teachers and class mates. We will welcome our new reception pupils into school for the day and wish our current Year 6 good luck as they spend the day at their new secondary school. We have a couple of minor staff changes that we would like you to be aware of before this day so you can discuss this with your children.

Current Class/year group	Class in September / staff
 <p>Busy Bees-Nursery Discovery-Reception</p>	 <p>Discovery Class R/Y1 Mrs Harrison-class teacher Miss Baker-teaching assistant</p>
 <p>Discovery Year 1</p>	 <p>Voyager Class Y2/3 Mrs Tomlinson Monday-Thursday-class teacher New Class teacher to be appointed for Friday Mrs Bailey-teaching assistant Miss Crowe-Student teacher</p>

Attendance/Absences

If your child is going to be absent, please let the office know, not just the class teacher. If they are unwell we need to ensure that the correct information is entered into the registers, For any other reason please complete a holiday/absence request form.

Toys-a REMINDER!

Can we politely request that children do **NOT** bring in toys to school. We are always concerned that these personal items will go missing and don't want any precious items to be lost. A few have still been sneaking into school. Thank you for your support with this.

Normanby has Talent! Friday 22nd June pm

Normanby definitely does has talent. Who would have guessed we have so many gymnasts, dancers, magicians, comedians, and singers amongst us. It was great to see children from the youngest to the oldest children in the school and even those

children who performing doesn't come naturally to, showed us their amazing talents. A big thank you to all the parents who supported the event, hopefully when we hold another one more parents will take the plunge and share their talents. Thank you to Mr Gourlay for bringing along Teddy the dog and showing us all his newly acquired skills. He certainly wasn't shy of performing.

A big thank you also to all of the staff for their rendition of 'Man's Not Hot'! I think that they rather enjoyed themselves actually-we certainly had fun putting it together! Making the children laugh was our main intention, which hopefully we did. The judges had a very difficult decision when it came to deciding winners, but awarded trophies to 3rd place Ben Kirk for his comedy act and Hollie Gibson for her super magic, 2nd place for Evie Askew and her outstanding gymnastics skills and 1st place to Elliot and Vesper Gourlay for their super demonstration of judo. Well done!
An amazing £105.50 was raised for school funds so thank you to everyone.

Spelling Bee

Well done to all the children who chose to participate in the annual Spelling Bee, children demonstrating good examples of our values 'determination' and 'success'. Each year group had an overall winner and the pupil who achieved the highest number of correct spellings amongst all the year groups won overall. A huge well done to Joshua McKendrick, who for the second year running was overall winner with a whopping 86 correct spellings. The winners for each year group were, Year 1 Polly Dickinson, Year 2 Joshua McKendrick, Year 3 Darci-Beau Martin, Year 4 Imogen Clinch. Year 5 Olivia Bainbridge and Year 6 Abbie Wiggins.

Magical Maths Assembly Tuesday 10th July 1.15pm

Magical Maths is a fun after school club run by an outside company specifically for primary school children. Your child will witness mind-blowing after school sessions which will leave them amazed. Grahame, who runs the company is going to come into school and give us an assembly of magical maths in the hope we can start an after school club in September. If you would like to find out more about it for yourselves, please feel free to come along to the assembly. Its 1.15pm in the school hall on Tuesday 10th July.

Second hand uniform sale Tuesday 3rd July.

You will have received a list of what is currently available via the 2nd hand uniform sale and ready to buy. The doors to the hall will be opened at 3pm for anyone wanting to come and have a look at what there is and will remain open until 4pm. All profits from the sale go into school funds. Many thanks to those people who have donated clothes so far. If you have any more to donate please bring to school by the morning of 3rd July.

Samba World record breaking attempt.

Tuesday 26th June, saw Years 2,3,4,5,6 travelled to Lincoln City Football ground to participate in a Samba event. Over 2000 children attended with the same aim in mind, to break the current world record for the largest Samba band ever! The weather was scorching but luckily we were sat in the shade. The children ran through a few rehearsals before attempting the record in the afternoon.....and we did it. We are record breakers!!!! A big well done to all the children who attended and what an outstanding example they made for our school. Their behaviour was impeccable and their enthusiasm throughout was fantastic. We were incredibly proud of each and every one of them.

Hot weather protection

We certainly can't moan about the weather at the moment.....long may it last!! There are obviously precautions that need to be taken though to ensure all children are kept safe from the sun. Please can you ensure that all children have a hat in school to wear when outside. If they don't have one they will kept in the shade. They also need to make sure they have plenty to drink throughout the day and if they need sun cream on, they can either have it put on at home in the morning or bring in their own tube that can be put on before going outside. Many thanks for your cooperation.

Swimming Tuesday 3rd July

A reminder that Tuesday is our last swimming trip of the year. It will be another picnic day so all hot dinners ordered through Good Lookin Cookin will be replaced with a cold lunch and hopefully we will be able to eat outside. Children who are swimming will need to remember their swimming things please. The children have shown so much enthusiasm over the last few weeks swimming I hope you can all see an improvement next time you swim as a family.

DATES FOR YOUR DIARY for the SUMMER TERM!

Monday 2nd July-Voyager Trip to Pink Pig Farm Yr 2 and 3
