

Sports Premium 2017/18

From April 2013, the Government announced that it would be providing additional funding to improve the provision of PE and sport in primary schools. This funding has been made available to schools since the academic year 2013-2014.

This initiative has been devised to improve the quality and breadth of PE and sport provision, including increasing participation in PE and sport across primary schools. It is intended that this funding will promote healthy lifestyle choices and give children the opportunities to reach the performance levels they are capable of.

All expenditure focuses on how we can meet the following Primary PE and Sport Premium Indicators:

- 1) The Engagement of all pupils in regular physical activity- Kick start healthy active lifestyles.
- 2) The Profile of PE and Sport being raised across the school as a tool for whole school development.
- 3) Increased confidence, knowledge and skills of all staff in teaching PE and Sport.
- 4) Broader experience of a range of sports and activities offered to all pupils.
- 5) Increased participation in competitive sport.

At Normanby-by-Spital Primary our intention is to allocate the funding in the following ways;

- Employing qualified coaches to work alongside teachers in lessons to increase their subject knowledge and confidence in sport specific PE.
- Buying into the School Sports Partnership, to increase pupil participation in local and national school games competitions.
- Developing a PE Partnership with other local Primary Schools, to promote competition within peer groups, throughout the school.
- Utilising a Health Mentor, employed by Evolve, working in our school developing much needed rapport with pupils, offering exciting learning opportunities and giving them the support and motivation to help them succeed.
- Enhancement of extra-curricular clubs with the emphasis on encouraging our less active children to participate.
- Development all year round lunchtime activities.
- Purchasing equipment and resources to develop a sporting activities and competitive activities and clubs.
- Developing the outside area to promote and encourage physical fitness.
- Recognising and supporting children who are Able, Gifted and Talented in PE and sports.

- Distribution of newsletters detailing current sports and PE initiatives, competition results and in- school sports profiles, in addition to regular website updates.

Normanby-by-Spital Primary Current Year allocation:

Normanby School invests its funding in the best possible resources to provide an enjoyable, engaging and varied sports curriculum.

The school uses professional sports coaches, to advise and support our curriculum. We also utilise a number of coaches to help us deliver engaging and exciting extra-curricular clubs, including Cricket and football.

Every child from Year 2 up has 1 of their PE session with a coach

Sessions, which are funded through the membership with the Wold Partnership . The coaches are monitored by the school and provide outstanding lesson, which ensure pupils make the best progress across the curriculum. These coaches also up-skill school staff to make high quality PE and Sports in our school sustainable. Coaches and teachers work alongside each other to improve confidence and monitor progress. As a result teachers have increased subject knowledge and competence.

This year the school is working to produce an assessment and tracking program so we can ensure all pupils make progress in physical activities and sport. This will include formative assessment for each area, which will look at understanding and application of technical ability as well as completing certain tasks. This will allows us to ensure attainment can be monitored and improved.

With our membership of the Wold Partnership, we actively and regularly compete in inter-school competitive activities that cater for and appeal to all pupils. This enables pupils to utilise a range of skills and establish participation habits through regular clubs and competitions both within and between schools. Pupils enjoy participation and leadership, this enhances their understanding of sports participation and increase the likelihood that they will continue to take part. As a result of our success with the interschool competitions and with our provision for Sport in the school, in July 2017 we were awarded the School Games Silver Award, improving on the Bronze award held on the previous academic year.
