Newsletter 10 14/05/2019

Dear Parents and Families

Who can believe that we are in our Summer term already. The Year 6 children are working their way through their SATs tests as we write this. We are incredibly proud of how they have approached these tests with such maturity and in a relaxed manner. A huge well done to all the year 6 children. Term 6 is looking to be a busy, but fun packed term so please make a note of all the dates in the calendar at the end of this newsletter.

### Discovery trip to Rand Farm

It seems quite a while ago now that the children from Discovery class went on their class trip to Rand Farm. A great day was had by all. It's hard to believe that so much could have been packed into 1 day. The children fed the animals, made sausages, learnt how to make cheese, watched a cow being milked, fed the lambs milk from a bottle, looked at eggs and chicks at various stages of hatching, held rabbits and guinea pigs, had a tractor ride and tasted a variety of different pork meat including the sausages that they made. All in all a fun-packed, educational day. Thank you to FoNS for paying for the coach.

### Free School Meals

Don't forget, if you are unsure if your child qualifies for Free School Meals, you can check via the following website <https://lcc.cloud.servelec-synergy.com/parentportal> This is different to the Universal Free School meals that children from Reception to Year 2 get. Even if your child is receiving UFSM it is worth applying still for FSM as both school and yourselves benefit.

### FoNS News

As you are all aware, we are coming up to summer fair time (Thursday 4<sup>th</sup> July). In the past, this has been the biggest fund raiser of the year and the hardest to organise. Any help that you can give to FoNS is very much appreciated. You don't have to be able to attend all the meetings to help. You can support FoNS events in many different ways: providing raffle prizes, suggesting new ideas for fund raising, spreading the word of events being held, baking cakes, selling raffle tickets, helping out at a stall on the day, going shopping for things needed for events, helping set up and tidy up on the day.... The list is endless. If you feel you can help in any way, please speak to Carrie Gash, Emma Pindar, Joan Kehoe or Jacqui. Many thanks

In preparation for the fair, it has been arranged to have 2 **non uniform days**.

**Monday 20<sup>th</sup> May** is World Bee Day so the children are invited to come into school dressed as a bee or in black and yellow clothing in exchange for £1. As an extension of this, we are also pleased to be able to welcome Mr Gregory into school, who will show the children a beehive and talk to them about how bees go about their day and how honey is produced. Many thanks to Mr Gregory for giving up his time to come and do this.

**Friday 21<sup>st</sup> June** is non uniform day (no theme), so children can come into school dressed in clothes of their choosing in exchange for £1. All monies raised will go towards the summer fair. Many thanks for your support with these events.

### Sporting events

We have been fortunate to attend various sporting events recently through The Wolds School Sport Partnership group. The children have experienced goalball, cross country and Multi skills. We are proud of how the children from Normanby approach all these events and always come away with a trophy of some kind recognizing all their efforts. A particular mention to James Tomlinson who came first in his age group in cross country and Evie Askew who came 3<sup>rd</sup> in her age group. Well done. We have scatterball, multi skills and rounders events to look forward to.

### Swimming and Picnic Tuesdays

The month of June is our swimming month, where children from Years 2,3,4,5,6 go to Brigg leisure centre for an hours swimming lesson once a week. We have traditionally made this Picnic Tuesday as the children need to leave over lunch and eat earlier than normal. Weather depending, they also eat outside. Any lunches ordered through Good Lookin Cookin will be replaced with a cold lunch for the following dates; 4<sup>th</sup>/11<sup>th</sup>/18<sup>th</sup>/25<sup>th</sup> June. If you would prefer to send in your own cold lunch then please can you cancel any hot meals ordered for those days.

Please keep an eye out on parentmail for all the details of swimming. It is greatly encouraged that all children participate in the swimming. Any child who is not joining in will still have to come on the coach but just sit and watch from the side.

### Dropping off outside school

Please can this be a reminder to all parents that you cannot park or stop outside the school first thing in the morning to drop your children off for school. Please park up in a safe place and walk your children into school. Many thanks for your cooperation.

### Club Calendar for term 6 starting the week beginning 10<sup>th</sup> June until week beginning 8<sup>th</sup> July

Club	Day
Rounders club Yr 1-Yr6 (Mrs Harrison and Mrs Clinch)	Monday
Board Games Yr1-Yr6 (Miss Stevenson)	Tuesday
